

## SUPPORT CREATIVE DEVELOPMENT, PRODUCTIONS AND EVENTS

**Umbrella Foundation** is a registered charity committed to telling stories that matter through the innovative use of music, theatre and other artforms. *Driftwood - The Musical* is our first production. We have many more projects in mind and seek the support of the community to give voice to these projects.

Your support helps us in the future touring of *Driftwood*, other creative development, productions and events.

**All donations are fully tax-deductible. We are very grateful for your support.**
